Dear **Name**,

I am writing today to tell you about the great opportunity I have to go on a mission trip this summer to Kenya. I am very excited about this trip and the team I will be working with. This is a two week trip where we will be hosting medical camps and children's ministry programs. As a non-medical team member I will be working in the triage area, taking patients' weights, temperatures and medical histories or working in the pharmacy counting out medications. I will also be involved in children's ministry during the trip.

I hope you will join me on this mission trip with your prayers and financial support. Please let me know if you would like to be a prayer partner and I will send you the itinerary and prayer needs for myself and the team. You can keep up with where I am each day and know what specific items to pray for while we are away.

I am working hard to raise **\$4,200** to cover expenses for this trip and I hope you will pray about your part in financial support for me. If you would like to support me on this mission trip, please make your check payable to Expansion International (please do not write my name on the check) and include the attached form so it can be accounted to me for the mission trip. Thank you in advance for your prayers and support. I look forward to telling you about the wonderful things God did on this trip when I return.

May you be richly blessed,

Dear **Name**,

I am writing today to tell you about the great opportunity I have to go to Kenya this summer. I am very excited about this mission trip and working with Kenyan partners in various communities where we will be hosting a free medical camp and children's ministry programs. As one of the **nurses, doctors, etc.** I will be responsible for conducting basic lab testing, pharmaceutical roles, medical procedures, and assisting the medical

providers.

I hope you will join me on this mission trip with your prayers and financial support. Please let me know if you would like to be a prayer partner and I will send you the itinerary and prayer needs for myself and the team. You can keep up with where I am each day and know what specific items to pray for while we are away.
